Bench Modular Seating

SGF107 SEAT (A-I)
SGF107 TABLE (J)

Simple lines & colour add beauty and value to exteriors or interior gyms, sports venues, schools & colleges, meeting areas, waiting rooms, shelters, showrooms, exhibitions, foyers and lobbies.

Ultra contemporary in design, Bench creates the ultimate structure to show off any exterior or interior features, whilst also providing a comfortable seat.

Our modular designs are made from 100 per cent fibreglass and create striking landscape features. Each seat can be made in any BS/RAL colour to match any colour scheme or corporate interior. Bench is easy to install as it's lightweight and modular in construction.

Bench modular seating - J Option - all sizes in mm's

PLAN

J - 900 mm diameter coffee table

Principal Material:
GRP Fibreglass

Dimensions:
900 diameter x 300mm high

Each segment can be supplied:

1. Weighted with a rubber anti-slide base. Circa 45 kgs
2. Un-weighted with rubber anti-slide base. Circa 22 kgs
3. Fitted with anchor bolts for permanent fixing. Circa 18 kgs

Supply options:

1. **Weighted:** Modules supplied weighted to prevent people from easily moving installations to another area. Weighted modules are ideal if you would like the flexibility to move seating at a later date and the security that they will be safe.
2. **Un-weighted:** This supply option offers the utmost in flexibility and is ideal for domestic use or in areas where you want to move seats quickly and easily, such as events/exhibition spaces.
3. **Fitted with anchor bolts:** Modules are complete with anchor bolts for permanent fixing - ideal for public open spaces or where security may be an issue.
